

Chaplain use the Challenge Coin to say “Thank You”

The Louisiana Fire Chaplain Network has taken the plunge into collecting and exchanging challenge coins.

One of the uses of the challenge coin in the fire service is the recognition of good work by an individual. Sharing a unique challenge coin to someone who has provided outstanding service is a personal way of saying “Thank You for Your Service.” LFCN has designed our own challenge coin in a way for chaplains to give a valuable award to those who have given above and beyond the call of duty to your chaplain ministry.

You can order your challenge coins below. Chaplains who purchase a challenge coin, receive a Microsoft Word template of a Certificate of Appreciation you can add to your name, recipient’s name and what kind of service he/she has rendered to your chaplaincy. This a great way to encourage those who give service to you.

LFCN member - (with individual PVC coin envelope and certificate) for **\$6.00 each** including shipping.

LFCN Non-member - **\$10.00 each** (with profits going to **Louisiana Walk of Honor Foundation**).

Quantity _____ x \$ _____ each = Total Amount _____
